

1

Place the Mat

Position the scrub mat to align perfectly with your RV step.

2

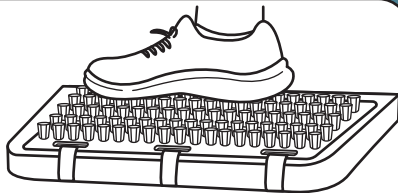

Scratchy
Side Up

Thread the Straps

Wrap each strap around the step and mat, feed the end through the loop, pull tight and fasten the hook-and-loop.

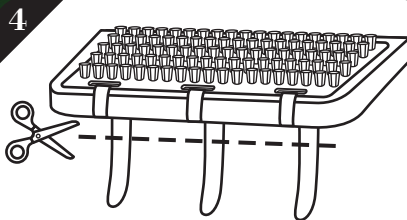

3

Test Stability

Step lightly on the mat to check stability. The mat should not slide or shift.

4

Finish & Enjoy

Trim any excess strap length if necessary.
